Pastor's Post – "God's Grace" ~ Rev. Donna Gilchrist

"...but he said to me, 'My grace is sufficient for you, for power is made perfect in weakness.' So I will boast all the more gladly of my weakness, so that the power of Christ may dwell in me."

~ 2 Corinthians 12:9, NRSVUE

I've been thinking a lot lately about how we make it through when life seems especially challenging. Circumstances can change in an instant, and the plans that we make can slide sideways. Death, illness, loss, relationships, the state of the world, and so many other things can impact our lives. What do we do when life seems out of control?

Paul understood circumstances being out of his control. Paul writes that the Lord has put a thorn in his flesh, and when he asked God to remove it he received this reply: "My grace is sufficient for you, for power is made perfect in weakness." At those times when we feel weakest and most out of control, God is present.

Recently, I was talking with a friend who shared, "Just knowing that God will get you through is enough." Each of us will have times when we are overwhelmed. When Peter attempted to walk toward Jesus on the water, he made it a few steps, until he became focused on the chaos around him. It's easy to get lost in the storm, but God will help us through whatever we are facing. Like Paul, there may be things we endure

for a lifetime, but God equips us to keep showing up with faith despite the pain and inconvenience.

To be honest, my friend called at just the right time with words that I needed to hear in that moment. Some might call it coincidence. I call it God's grace. This is part of being a community of faith. No one has to be perfect, but if we simply show up faithfully the Lord will offer us the grace we need in ways that we can understand.

MISSION NEWS & UPDATES

The Kids' Closet, a mission outreach of Potwin and West Side Christian Church, will begin operation again in September. Now located at West Side Christian, it will be open for parents to choose clothing on the first and second Wednesday of each month from 3:30-5:30pm. While they focus on clothing for ages 5-12, they will accept donations of larger items as well. **Particularly needed are Halloween costumes, winter coats, and boys' pants/jeans.**

They would also be glad to have volunteers who would launder donated clothing. When baby clothes or other smaller items are received, they are taken to Westside Baptist for their Baby Closet. Potwin has supported this mission for some time as well.

Up to 3 volunteers each day they are open are needed. One volunteer simply stays at the door to welcome families and direct them to the Closet. If you would like to help with this project, contact Danielle Euler at 785 224 3150 or email her at Sheaeuler@gmail.com.

HEARTLAND CAMPS AQUATIC CENTER EXPANSION FUNDRAISER

For generations, the pool has been the heartbeat of a Heartland summer. It's where the shy camper makes a first friend, where a family group creates community, where a hot afternoon becomes the memory a camper carries home. This fall, they are breaking ground on eight new changing rooms and a covered deck. It's more than shade. It's where campers gather in small groups, open their Bibles, and wait together for swim time. Then, as soon as the remaining funds are in place, they renovate the old bathhouse into a clean, welcoming, year-round space. The result: a pool experience that serves more kids, more comfortably, for decades. And a place that tells every camper, you belong here, and someone cared enough to build it for you. They're at \$215,000 of our \$405,000 goal, with a \$50,000 Mabee Foundation challenge grant waiting to be unlocked when they raise the rest. Every gift moves a shovel closer to the ground.

Thank you to everyone who donated school supplies. We joined New Life Baptist Church again in August for their Back-to-School Bash. Westside Christian Church brought some items from the Kid's Closet. Leftover supplies were taken to Doorstep, Meadows Elementary, Lowman Hill Elementary, Robinson Middle School and Williams Magnet School.

Doorstep Newsletter Article ~ September 2026

Summer went by quickly... again this year! The kids are back in school; schedules start getting busy with activities again, and at Doorstep we are just trying to keep up with the increased demand for food assistance! Each year since 2022, the need has grown, the number of food orders has increased each year, and so has our budget trying to keep food on our shelves to feed our neighbors in need!

This month, to continue our 60th anniversary, we are asking each of our Mission Member Faith Communities to focus on collecting one, two or a variety of items to help stock our pantry, hygiene area, clothing room, etc. for our neighbors who are struggling seeking assistance at Doorstep. We're calling it **"60 for 60"**.

INSERT INFO ABOUT WHAT YOUR MEMBERS WILL BE COLLECTING AND WHEN IN THIS SPACE

Also happening this month is the **31st Annual Sertoma Duck Race** on September 26th. The virtual race will start at 10am, and we have a team again this year, "Ducks for Doorstep"! Our goal is to have 600 ducks adopted. Doorstep will receive half of each adoption, and the Sertoma Club will receive the other half to help charities in our community. You can adopt one duck, a family, a flock or an oodle. You have a chance to win one of the 10 prizes, all while helping our community! One of Doorstep's supporters won a prize last year... so you never know!!! Go to: www.duckrace.com/topeka/teams/13004 and support Doorstep in this year's Great Topeka Duck Race!

Mark your calendars for our 2nd **Starlight Online Auction** this year! The site will be live for bids October 18th @ 10am until October 24th @ 10pm.

Our 60th Anniversary Building a Better Doorstep Capital Campaign is underway, and we need your donations to help renovate our building to improve accessibility and dignity; create a safer and more efficient facility; and increase our capacity to serve. Visit: www.DoorstepTopeka.org to donate.

### Topeka Rescue Mission Sees 107% Increase in New Families Seeking Food Assistance

Topeka, Kan. — The need for food assistance in the Topeka community continues to rise, with Topeka Rescue Mission (TRM) serving more than twice as many new families in July 2026 as it did during the same month last year.

In July, 434 new families turned to TRM's food pantry for the first time in 2026—a 107% increase compared with the 210 new families served in July 2025. In addition to these new families, TRM provided food assistance to 731 returning families during July. While the number of new families seeking assistance decreased from June to July, the overall trend continues to point to a growing need. Since May 2026, TRM has seen a 20% increase in the number of families accessing food through its pantry.

Behind every number is a neighbor facing difficult choices about how to stretch a household budget. "This is more than a number on a report—it represents parents, children, seniors and neighbors who are doing their best to survive hunger hardships," said La Manda Cunningham, CEO of Topeka Rescue Mission. "Our community is made up of people who care deeply for one another, and that care is needed now more than ever. We are so grateful to everyone who has stepped forward with food, financial support, resources and time. Together, we can make sure help is available when our neighbors need it most."

TRM provides food assistance to individuals and families experiencing hunger while also connecting them with compassionate support and additional resources. As demand continues to grow, the Mission is asking the community to help ensure its pantry shelves, and its capacity to serve, remain strong.

Community members can support TRM's response to hunger by:

- Giving financially to help purchase and distribute nutritious food where it is needed most.
- Donating shelf-stable food and other requested supplies.
- Volunteering to help with food sorting, distribution and other Mission programs.
- Praying for individuals and families experiencing hunger and hardship, as well as for the organizations working together to serve the community year-round.

TRM's current needs list is available at [trmonline.org](http://trmonline.org). Food donations may be delivered to 401 NW Norris Street, Topeka, KS. Financial gifts may be mailed to P.O. Box 8350, Topeka, KS 66608, or made online through [TRM's online giving page](#). It takes community to take care of our community. As more of our neighbors seek help putting food on the table, TRM is grateful for a community willing to respond with compassion and action.
